The Wade Trim Foundation will positively impact the environment, community, and quality of life through innovative infrastructure investments.

Wade Trim Foundation Grant Application

In 2026, the Wade Trim Foundation will award five, \$7,500 grants for projects that positively impact the environment, community, and quality of life through innovative infrastructure investments. Sustainable projects with long-term impacts may qualify for additional points during the scoring and selection process.

Our theme is “Investing in Our Communities”. Eligible projects include physical improvements to and/or construction of hard infrastructure such as building construction or remodels, parking lots, landscaping, parks, trails, waterways, and public spaces. **Planning and design services and staff salaries are not eligible,**

US-based governmental entities and public charities described in Code Sections 170(c)(2), 2055(a)(2), 2522(a)(2) and 501(c)(3) applying for a Wade Trim Foundation Grant must:

- Not discriminate based on race, age, ancestry or national origin, sexual orientation, gender, physical or mental disability, or religion.
- Not be a political organization, a political action committee, or a house of worship. (We accept applications from organizations with religious affiliations if the project is not specific to or primarily to benefit a religious group).
- Agree to provide photos of the completed project or progress photos for a period of 3 years following receipt of the grant.

If your organization meets our eligibility requirements and your project fits our theme, we encourage you to apply for a Wade Trim Foundation Grant. Applications will be accepted from March 2, 2026, through April 17, 2026. Awards will be announced in June.

Direct all grant-related questions to Donna Jakubowicz djakubowicz@wadetrim.com, 313-670-0972.
